

## **Westpoint Baptist Church lockdown service guidelines**

### **General**

- Not more than 40 attendees will be allowed to join the services
- The attendees must maintain a distance of 1.5m from each other during the services
- The church will be sanitised before each service

### **Attendees**

- Each attendee must wear a face mask covering their nose and mouth.
- Each attendee will sanitise their hands as they enter the church with sanitiser provided by the church
- Each attendee will have their temperature taken with a non-contact thermometer as they enter the church
- An attendance register of each attendee will be kept.
- Children under 13 years old can attend if they are with their parents or legal guardian.

### **Persons who should not attend**

- Any person who is sick in any way will not be allowed to attend.
- Those who are 60 years old and above are recommended not to attend.
- Pregnant women and nursing mothers are recommended not to attend.

### **Worship services**

- Only the worship leader will sing. The rest of the congregation will practice meditative worship.
- Communion will be taken with individual sanitised cups provided by the church.
- Only Sunday worship services will be conducted. There will be no Sunday School, Youth meetings, Tuesday Bible studies, or any other church activities.
- The services will not exceed 2 hours
